

“Great reading for anyone interested in quickly expanding their knowledge of today’s political–economic issues.”

PUBLISHERS WEEKLY

ARE THE RICH NECESSARY? is an ideal introduction to economics.

Transparently clear and easy to follow, it takes the reader through the great economic arguments of our day in an objective, fair, and always lively point–counterpoint format. The book also offers a radical new proposal that transcends conventional liberal/conservative thinking.

ARE THE RICH NECESSARY?

GREAT ECONOMIC ARGUMENTS AND HOW THEY REFLECT OUR PERSONAL VALUES

By Hunter Lewis ■ Axios Press, Hardcover, \$20 ■ ISBN: 978-0-9753662-0-2

“Lewis presents a number of prescient arguments that seek to answer the title question and others, exposing in the process alternate approaches to solving everyday economic problems. . . . [He] is skilled at boiling down arguments to their most concise, and his sharp analysis employs highly accessible prose.”

PUBLISHERS WEEKLY

“Utterly enthralling.”

McCLATCHY NEWS SERVICE

“A tour de force of economic thinking.”

ARTHUR SEGEL, PROFESSOR OF MANAGEMENT PRACTICE, HARVARD BUSINESS SCHOOL

“Carefully weighing the pros and cons of big-think economic issues . . . Lewis . . . offers some big ideas of his own.”

JUSTIN EWERS, *U.S. NEWS & WORLD REPORT*

“Highly readable . . . [with] punchy . . . argument[s].”

HARVARD MAGAZINE

“*Are the Rich Necessary?* is both a highly provocative and a highly pleasurable read.”

“Pits the likes of Al Sharpton against Milton Friedman. Fair fight.”

JESSE EISINGER, *CONDE NAST PORTFOLIO*

“Interesting . . . refreshing.”

THOMAS KOSTIGAN,
MARKET WATCH (DOW JONES)

“Hunter Lewis . . . argues both sides of such questions as ‘Are there alternatives to the profit system?’ and ‘Can government protect us from the excesses of the profit system?’ . . . [then] sets forth his own argument on the best way to ease poverty and create economic cooperation, which he says is key to building lasting societal wealth.”

ANNE W. HOWARD,
THE CHRONICLE OF PHILANTHROPY

“Excellent . . . Lewis has an ingenious idea . . . that he hopes will elicit agreement from the proponents of the major value perspectives.”

DAVID GORDON, *THE MISES REVIEW*

“Provocative.”

MIKE SCHNEIDER, BLOOMBERG TELEVISION

“Prompts the reader to question his or her assumptions.”
